Dear Quilting Enthusiast:

2011 marks the Centennial Celebration of Cornell Cooperative Extension in New York State. Our exhibit at the county fair this year will feature the history of Cornell Cooperative Extension (100 years) and the Delaware County Fair (125 years). We would like to feature favorite old quilt patterns at the fair with a display of quilted projects and quilting demonstrations in the Cooperative Extension Building August 15-20, 2011.

You will find a copy of the “Celebrating a Century of Quilting” project guidelines (on the back of this letter) to share with quilters and quilt groups in your area. Please return the project information slip at the bottom of this letter to let us know if you would like to participate in this historical quilting project. We are encouraging individuals and groups to create quilted projects from fabric scraps if possible.

We would like to thank all quilters and quilt groups who completed quilted projects in 2010; all quilted project donations were given to Relay for Life. We look forward to your participation at the 2011 Delaware County Fair as we Celebrate a Century of Quilting and Excellence in Cornell Cooperative Extension programming.

Happy quilting,

Jeanne M. Darling
Executive Director
