

Managing Ruminant Livestock Responsibly in Brush and Woodland Settings

Dr. tatiana Luisa Stanton, Cornell University

Catskill Regional Agriculture Conference 2022

Wednesday 1/12/2022 at 2:00 PM

Resources

- 1) A pdf of this presentation is available by contacting tatiana at TLS7@cornell.edu
- 2) Information on managing goats and sheep in brush and woods and example recipes for total mixed rations for supplementary feeding are available through the Cornell Univ. Sheep & Goat Program (Niko Kochendoerfer at nk584@cornell.edu and tatiana Stanton at TLS7@cornell.edu)
- 3) **Goats in the Woods Workbook: A manual for practitioners to safely and productively use goats in forest vegetation** available at <http://goatdocs.ansci.cornell.edu/Resources/GoatArticles/GoatsInWoods/GoatInForest.pdf>
- 4) **Conservation Goat Grazing for Invasive Species in the Hudson Valley**. Detailed report put together by **Glynwood** in Cold Springs, NY offering both a layperson's and a researcher's view of a multiyear project focused primarily on the control of Multiflora Rose. Available for download on the web by doing an online search.
- 5) <https://blogs.cornell.edu/ccforestconnect/> **ForestConnect: connecting woodland owners with knowledge**, a Cornell Cooperative Extension website with links to several resources on silvopasturing and vegetation management
- 6) <https://silvopasture.ning.com/> A **silvopasturing network** created with forums, videos, event announcements, and other resource activities on silvopasturing
- 7) <https://www.morningagclips.com/forages-forests-and-livestock/> Link to a very thorough **Silvopasture Video Series** on best recommendations for establishing silvopastures. Produced by Michigan State University Extension, it features Brett Chedzoy from Cornell Cooperative Extension and is directly applicable to the Northeast US
- 8) <https://www.webpages.uidaho.edu/rx-grazing/Handbook/ASITargetGrazingBook2006.pdf> **Targeted Grazing: A natural approach to vegetation management and landscape enhancement**. Univ. Of Idaho. A 199 page handbook also available for free download at <https://www.webpages.uidaho.edu/rx-grazing/handbook.htm>
- 9) <https://onpasture.com/> **On Pasture**, an online subscription magazine with an intensive archive of silvopasture and vegetation management articles, etc.
- 10) <https://blogs.cornell.edu/grazing/> **GRAZING: A reference for livestock grazing**. Still in development, this website is hosted by the Cornell Sheep & Goat Program
