

SEED *to* SUPPER

a beginner's guide to low-cost vegetable gardening

FREE Gardening Workshops

Learn to grow your own food in a 4 session Seed-to-Supper course offered by Cornell Cooperative Extension of Delaware County & William B. Ogden Library.

The program highlights practical, low-cost gardening techniques for building, planning, planting, maintaining, and harvesting a successful vegetable garden. It doesn't matter if you live in an apartment or on acreage, everyone can learn something from this course.
