CATCH[®]

COORDINATED APPROACH TO CHILD HEALTH

9 MINUTE RUN/WALK CHALLENGE

Choose your course: maybe around your house,
yard or block. Have someone set a timer for 9
minutes!

Start the timer and start moving! Run or walk around
the course as many times as you can until the timer
goes off!

Count each time you pass your starting line as one
lap. Remember your number today and see if you
can beat that number by the end of the summer!
