- The **Lifesteps® Weight Management** is for people who are ready to change behaviors that prevent weight loss. It recognizes that people are unique, with different eating and exercise habits, weight loss goals and daily schedules. Other health education programs are offered throughout the year.
- **Happy Healthy and Wise Workshops** are for people who are dealing with one or more chronic conditions or for those caring for someone with chronic condition(s). These evidence-based, interactive sessions offer tools for dealing with the multiple issues that can arise when a chronic condition exists. Past participants highly rate the sessions. Some comments: "I got to communicate with others...and got ideas from them which I have applied to my own situation;" "I am more patient with myself and others;" "It is a very useful class and you learn a lot of new things that can help you with your health;" "...the class was presented in a very friendly and positive way."
- **Lung Matters Support Group** meets every month on the second Friday of the month. Education through guest speakers, sharing of ideas and the benefits that come from playing harmonica are all encompassed in this group. Group is open to anyone in the public with a lung condition or breathing problems or those who care for someone with a lung condition and/or breathing problems.
- **Stay Healthy! Programming** from the Stay Healthy! Center in the Oakdale Mall in Johnson City, NY Programming, including seminars and support groups that are offered at the Stay Healthy site can now be shared through videoconferencing. Participants can attend in real-time and interact with the speaker and participants in Johnson City by coming to the UHS Delaware Valley Hospital Wellness Room in the hospital's Finance Building, 20 West Street, Walton.

Delaware County Department of Social Services

99 Main Street, Delhi, NY 13753.....Phone: (607) 832-5300
www.co.delaware.ny.us/departments/dss/fosterCare.html

Preventive Services are supportive and rehabilitative services that are provided to children and their families for the purpose of averting an impairment or disruption of a family which will or could result in the placement of a child in foster care; enabling a child who has been placed in foster care to return to their family at an earlier time than would otherwise be possible; or reducing the likelihood that a child who has been discharged from foster care would return to such care.

Foster Care provides children with a temporary home when it is necessary to remove a child from his or her present home due to the inability of a parent to ensure the health and safety of a child, neglect or abuse of a child by a caretaker, or placement by Delaware County Family Court for a Persons In Need of Supervision (PINS) or Juvenile Delinquency case. Foster/Adoptive parents needed! If you or someone you know is

interested in becoming a certified foster/adoptive parent, please contact Delaware County DSS at (607)832-5325.

Adoption Services are available to assist families interested in adopting children in need of safe, nurturing and permanent homes.

The Delaware County Mentoring Program serves at-risk youth ages 7 years and up who attend a school district within Delaware County. Referrals for youth in need of a mentor come from local school districts, the Delaware County Department of Social Services, and the juvenile justice system. Youth will be matched with a caring adult mentor who will spend a minimum of six hours per month with the child. The mentoring relationship encourages self-worth, skill building, and confidence by providing youth with a caring adult committed to being a reliable role model.
