Delhi Homegrown National Park Project – the emphasis is to teach people to plant native plants. A do not plant list was created.

Carla mentioned that once she was promoted to the full time position her increase in pay was countered by the increase in health insurance costs. While she loves the work she does, it is discouraging to see the rates of pay offered for similar positions.

Minutes – March 10 & 14, April 21 & 25. A motion to approve the 4 minutes was made by Carol M., seconded by Betty S. The motion was approved unanimously.

Nominating Committee – Donna Dickson-Noonan asked if press releases could be used and Danielle confirmed that other CCEs do use newspaper ads and social media. Donna asked her for samples of their ads. It was noted that the ads need to give people an explanation of what CCE does and why they would want to be on the board. Donna Dickson-Noonan nominated the following nominating committee for 2022: Dean Darling, Donna Machala, Nancy Stoop, Bonnie Seegmiller and Amanda Sipperly.

Cornell Report – none

Standing Committee Reports

Delaware County Farmers' Grant - \$500,000 which includes some administration cost, but most of it goes to the farmers. Carol asked to see a budget at the next meeting.

PW Wood and our attorney have approved the lease and ARC is now looking at it. \$77,750 annually for the next five years which includes heat, utilities, cleaning, maintenance, and plowing. Carol mentioned that Flanders dentist office in Delhi is for sale for \$550,000. She also thought our current space could be improved. The lease does allow for us to end the contract with 90 days' notice. Carol would like to have a committee created to investigate other options. Jeanne noted that the price has gone up for the last 2 renewals but this time it did not. Location of the office between the Walton Agriculture Watershed Program Office and Camp with the office located in a central part of the county off a major highway are other factors to consider in renewing the office lease with the ARC of Delaware County.
